

Quiltex

Perforated 100% Polyester

Our Perforated 100% Textured **Polyester** is knitted in a special no-run stitch to help with abrasion resistance with 2 plies of our Polyester Hot Needle Bonded together. The special construction of this material is especially useful in reducing degradation and particulate generation during wiping applications.

Perforated No-Run Wiper Specifications

| | | |
|---------------------|--------------------------------------|-------------------------|
| Basis Weight | (g/m ²) | 286 |
| Fiber | | 100% Textured Polyester |
| Abrasion Resistance | (%Loss) | 0.15 |
| Sorbency | Extrinsic (m/m ²) | 795 |
| | Intrinsic (ml/g) | 5.60 |
| | Rate (seconds) | Instant |
| Particle | ≥0.5Φ/m ² (millions) | 77 |
| Tear Resistance | (kg) Warp | 25.0 |
| | Fill | 24.4 |
| Ions | (ppm) Sodium | 7 |
| | Chloride | 4 |
| Extractibles | (g/m ²) De-ionized Water | 0.041 |
| | 1,1,1 Trichloroethane | 0.291 |
