

NEW

Kimtech Pure* A4 Sleeve Protector

Protect your workers. Protect your process.

The **NEW Kimtech Pure* A4 Sleeve Protector** helps keep workers and the workplace safe through advanced barrier protection that shields the person and the garment from hazardous chemicals and biologics.

It reduces the risk of exposure and contamination by providing an additional layer of protection between gloves and lab coat sleeves.

The **Kimtech Pure* A4 Sleeve Protector** is ideal for situations where full coverage isn't required, but full protection is. Features include:

- Reinforced seams
- An advanced barrier fabric
- Ease of donning and doffing
- Two sizes available
- Thumb loops

The **Kimtech Pure* A4 Sleeve Protector** provides peace of mind for workers and protection for your process. Plus, it's recyclable through RightCycle* by Kimberly-Clark Professional*.

It All Adds Up to safe, sustainable protection.

It All Adds Up

Rightcycle* by Kimberly-Clark Professional* is an innovative recycling program that diverts waste from landfills and helps you achieve, or even exceed, your organization's sustainability goals. RightCycle* will turn your used garments and gloves into raw materials to create eco-friendly consumer products and durable goods. Take the next step in your waste reduction journey and choose RightCycle*. It all adds up to zero landfill and a more efficient workplace.

For more information, ask your distributor sales professional or visit www.kimtech.com/rightcycle.

Make your workplace exceptional

APEX

APEX is a unique employee training program that helps facilitate the changeover to the KIMTECH® Brand of products. By effectively engaging employees, it ensures protection of the scientific process and enhances efficiency and performance.
