

KIMTECH PURE* A5 Clean Cleanroom Apparel

In cleanroom environments, people are the No. 1 source of contamination and the garments they wear can make a big difference.

Kimtech Pure* A5 Clean Apparel, now available in bulk packaging, and the **NEW Kimtech Pure* A5 Clean Integrated Hood and Mask** can guard against the risk of contamination. Both are designed to protect your process by providing comfortable, sustainable protection.

While other coveralls for cleanroom environments may look like ours, we offer distinct advantages:

- Bound seams
- Zipper flaps
- Thumb loops
- High-neck collars
- Recyclable via RightCycle*
- Bulk packaging
- Breathable SMS fabric

When was the last time you evaluated the barrier controls designed to contain the threat of contamination?

Choose Kimtech Pure*
A5 Clean Apparel.
The differences really do matter.

Good for your business,
good for the planet.

RightCycle* from Kimberly-Clark Professional* is an innovative program that helps you mitigate waste and cross-contamination issues in current processes and reach Corporate Social Responsibility (CSR) and Sustainability goals.

No more downcycling or upcycling. RightCycle* makes it easy to recycle previously hard-to-recycle products like cleanroom garments and gloves into a variety of useful, eco-friendly products.

For more information, ask your distributor sales professional.

APEX

Make your cleanroom
exceptional

APEX is a unique employee training program that helps facilitate the changeover to the Kimtech* Brand of products. By effectively engaging employees, it ensures protection of the scientific process and enhances efficiency and performance.
