- Energy Star® qualified

HIGH PERFORMANCE DESIGN

UltraTape's UltraLabel PRO-600 features a user-friendly spring-loaded center-biased clamshell design for easy drop-in media loading of 5-inch rolls. The printer is constructed with a rugged double-wall design that is stronger and more durable than others on the market. The UltraLabel PRO-600 motor is powerful enough to handle 300-meter long ribbon.

ULTRATAPE CLEANROOM LABELS & PRINTER RIBBONS

In order to supply a complete solution for label printing in cleanroom environments, ultratape offers both labels and ribbons that are compatible with the UltraLabel PRO-600.

- Cleanroom labels available in a variety of facestocks and adhesives
- Cleanroom compatible ribbons that withstand high temperatures and are chemical resistant
